

Late collection of students

It is the parent's responsibility to ensure that children are collected promptly at the appropriate time. In the afternoon, staff supervision is provided for bus children only. Children must stay inside the school grounds if waiting for collection by parents/carers.

If parents/carers are running a little late please [phone the office](#) on (07) 4771 3655 before 2.50pm to inform us. Every attempt will be made to let your child know this information.

Students not collected by 3.30pm will be taken to the school's office and 2 attempts to contact parents/carers will be made.

Students who cannot be collected by 3.30pm each day by parents are expected to be registered and checked into after school care arranged by parents/carers where supervision and care is provided until 6.00pm each school day. The local PCYC provides a before and after school care program. For more information on the program please contact them on (07) 4772 3883.
