2026 ENROLMENT INTENTIONS

During November we need to report our predicted enrolments for 2026 to the Department of Education, Central Office.

The number of students we predict will determine:

- **STAFFING** – the number of teachers allocated to Belgian Gardens State School, Teacher Aide and Administration hours.
- **CLASS ALLOCATIONS** – the number of classes per year level and the number of students per class.

For the above reasons we need to report student numbers as accurately as possible and request **ALL FAMILIES** complete and return the form below to the office by Friday 19 September. We will make contact by phone with families who have not returned the form by this date.

Thank you for your assistance in helping us plan for 2026.

Yours faithfully,

Mr Ryan Pedley,
Principal
