UNIFORM POLICY

As a health and safety issue, the School Uniform is the most effective means of identifying students both in the school grounds and while on excursion. School uniform promotes equality without the competition of brand names etc. School uniform promotes pride in yourself and in your school. It has been well observed that students out of uniform do not readily comply with other school rules. School uniform is available from SCHOOL LOCKER at Domain Central.

The BGSS uniform is flexible, inexpensive and caters for all conditions.

FOOTWEAR: **Closed in** footwear must be worn at all times. Black lace up shoes or sports joggers are acceptable to be worn with white socks (crew/ankle length height). This is a health and safety requirement for all students.

For Prep students please purchase shoes with Velcro straps. These are not only quick and easy but also allows students independence. Prep students have to remove shoes and socks for some specialists' lessons and the Velcro enable students to manage putting on their own shoes.

HATS: It is policy of our school that **no child will be involved in any outside activities without wearing a hat**. Students are required to **wear broad brimmed hats**, which can be purchased at the School Locker and at our Tuckshop. To conform to SunSmart policy, caps are not permitted.
